MATERIAL SAFETY DATA SHEET (MSDS)

Anti-E1 (HCV) Polyclonal Antibody

COMPANY DETAILS

Company: eENZYME LLC

Address: 401 Professional Drive, Suite 160

Gaithersburg, MD 20879, USA

 Telephone Number:
 1-240-683-5851

 Fax Number:
 1-240-683-5852

 Email

IDENTIFICATION SECTION

Product Name Anti-E1 (HCV) Polyclonal Antibody

Other Names None

Product Code HV-004-0100

Use For research use, *i.e.* Western blot, ELISA

PHYSICAL AND CHEMICAL PROPERTIES

At the concentration of the chemicals in the aqueous solution provided, the protein is considered nonhazardous.

Chemical Components Description

Antibody IgG, 100µg/50µI

KCI 10 μg $\rm KH_2PO_4$ 12 μg $\rm NaCI$ 400 μg $\rm Na_2HPO_4$ 72 μg $\rm Gelatin$ 0.1% $\rm Sodium\ azide$ 0.1%

HAZARDS IDENTIFICATION

Overview: Sodium azide (NaN3, CAS: 26628-22-8) at 1% is used for

preservation. Sodium azide at >10% is highly acutely toxic. Wear appropriate personal protective equipment (PPE) to avoid inhalation, ingestion, or absorption via skin. Sodium azide diluted to <0.02%

maybe poured down a drain with plenty of running water.

Carcinogenicity: Not determined Target Organs: Not determined

Primary Entry Route: Ingestion, inhale, skin contact

FIRST AID INFORMATION

Swallowed: If conscious, immediately induce vomiting

Skin: Immediately wash skin with soap and copious amounts of water.

Wash contaminated clothing before reuse.

First Aid Facilities: safety shower

SAFE HANDLING INFORMATION

Storage and Transport: Keep cold in a tightly closed container.

Spills and Disposal: Use water to dilute and wipe with paper towels.

CERCLA No reportable quantity

Fire/Explosion Hazard: Burning can produce oxides of carbon and nitrogen.

STABILITY AND REACTIVITY

Stability: Stable

Hazardous Polymerization: Will not occur

Incompatibilities: Heating in the presence of air (oxygen) to temperatures above 212°F

will result in decomposition.

Products of Decomposition: Burning can produce oxides of carbon and nitrogen.

The above information is believed to be correct but does not purport to be complete and should be used only as a guide. The burden of safe use of this material rests entirely with the user.
